Elevate Your Business with Us

Welcome to **ConsultupIndia** Startup Services, your trusted partner in propelling startups and MSMEs toward success. Our comprehensive suite of services encompasses everything from funding consultation to digital marketing, social media management, and professional services. With a dedicated focus on supporting emerging businesses, we strive to be the catalyst that transforms your entrepreneurial vision into reality. At ConsultupIndia, we believe in not just meeting but exceeding your expectations, ensuring that your journey towards growth and prosperity is smooth and rewarding.

Our Vision

To become the premier partner for startups and growing businesses worldwide, driving transformation through tailored plans that support each stage of business development from inception to expansion. Our goal is to be recognized for our dedication to nurturing the next generation of industry leaders.

Our Mission

To empower startups and businesses at every stage of their journey by providing comprehensive support in company formation, branding, funding, and strategic growth. We are committed to being a one-stop solution that fosters innovation, resilience, and long-term success.

The Programs

The StartUp Plan

Set up your business with company incorporation, logo design, trademarking, essential licensing, and digital tools like DSC and DIN. Also includes the creation of a comprehensive pitch deck.

- **Company Incorporation** - Private Limited, Public Limited, Limited Liability Partnership, One Person Company or ROF Firms.
- **Getting your Logo Designed and Trademarked**
- **Licensing for your business** - to freely sell your product/service across boundaries!
- **Obtain a Digital Signature Certificate** – getting an electronic signature, the initial step in registering your firm.
- **Obtain Director Identification Number** – a Director Identification Number (DIN), the formal identification, mandated for directors of corporations to get the business going!
- **A comprehensive Pitch Deck**

The Programs

The Launchup Plan

Focus on securing pre-seed funding, developing branding materials, and launching a robust online presence through social media marketing and website development.

- 1. Seed-funding your business through** - Seed-funded Grants and Loans
Startup India Seed fund Scheme, Nidhi Seed Support, IFund Women Universal Grant
- 2. Developing an SEO Optimised website** - to reach out to maximum businesses and increase brand value
- 3. Building a social media presence** - to connect with better prospective clientele and develop an online presence
- 4. Google My Business** - get your business live and going! Make it discoverable with maximum people across the globe and back home.

The Programs

The AccelerateUp Plan

Fuel your business growth with seed funding, grants, and loans. We'll guide you through engaging with angel investors and maximising your financial opportunities.

The ElevateUp Plan

Strategically transform your business by adding partners, changing directions, or planning your exit strategy. We provide the insights and support to navigate these critical decisions.

The ScaleUp Plan

Take your business to new heights with venture capital, website upgrades, and an enhanced digital marketing strategy. Scale your operations and expand your reach with confidence.

- **Becoming the industry leader with** - Venture Capital Investors funding equity-based funds into your business through Global Investors like 100X VC, and TieGlobal.

OUR BRAND STORY

*WE ARE COMMITTED TO GETTING YOU ON
THE ROAD, THE RIGHT WAY.*

- Our brand was born out of a passion for entrepreneurship and a deep understanding of the challenges that startups and growing businesses face. We envisioned a world where every business, regardless of size or stage, has access to the tools, resources, and guidance needed to thrive.
- From the very beginning, our focus has been creating a seamless experience for entrepreneurs—whether they are taking their first steps or scaling to new heights. We saw the struggles of businesses trying to navigate the complexities of incorporation, branding, funding, and growth, and we knew there had to be a better way. So, we set out to build a solution that would simplify the journey and provide all the support needed under one roof.
- Our story is one of relentless innovation, driven by a commitment to empowering businesses to reach their full potential. With each stage of our carefully crafted plans, we provide the foundation, strategies, and resources that businesses need to evolve and succeed. We believe in the power of visionaries and entrepreneurs, and our mission is to turn their dreams into reality.
- This journey is not just about business—it's about building legacies, creating impact, and shaping the future of industries. Our brand stands as a beacon of support, innovation, and success, guiding businesses through every twist and turn on their path to success.
